

INTRODUCTION

If you want to become more innovative, double your creativity, and have a great time doing it, you are in the right place!

It is my pleasure to welcome someone who is that rare combination of successful businessman and professional entertainer. **Randall Munson** has been inducted into the **Speakers Hall of Fame** and was selected as one of **The Worlds Greatest Business Mentors**. He conducts seminars and addresses professional groups across 6 continents.

Randall is the founder and president of Creatively Speaking®. He was an IBM Program Manager and an IBM Executive Advocate. During his 20 years with IBM, he led research and development projects in a variety of management, programming, architecture, and marketing responsibilities.

Randall holds an MS in Computer Science from the University of Minnesota. He was the Vice President of Administration at Crossroads College and an adjunct professor at the University of Wisconsin.

In contrast to this, he has been a professional entertainer for over 30 years. As a master magician, ventriloquist, MC, and one of America's top clowns, he has performed many times on national TV, **MGM Grand** in Las Vegas, **Ringling Brothers and Barnum & Bailey Circus**, **Disneyland**, **Disney World**, and **The White House**.

He just completed his first book, and he enjoyed the experience so much, he is considering reading another!

Actually, he is the best-selling author of 9 books including 3 creativity books: **Break-Out Creativity**, **CREATIVITY 101** and **CREATIVITY 102**.

Ladies and Gentlemen,
to help you achieve "**Success Through Innovation and Creativity**,"
founder of "*International Creativity Month*" . . .
Mr. Randall Munson.
